

Parents,

Happy Sunday! We hope that all of you had a fantastic weekend!

We are excited to begin Week #2 of Distance Learning. Last week, we learned a lot of things! We learned what worked and what didn't and have made some necessary updates and changes to our program.

One of the issues that we ran into was that a lot of our "Zoom" conference calls for our teachers was "overlapping". We are working hard to correct this issue and update our calendar of teacher Zoom meetings so that your student will not have to "chose" which teacher's Zoom call to join and will eliminate overlapping of Zoom conference call times. We have made this process easier to organize and see visually by making the teacher Zoom call schedules available for viewing on our school's calendar online. This can be accessed by visiting our school's website, clicking on "about", and clicking on "calendar of events" or by clicking [here](#). *(Please allow the calendar 24 hours to update. Please check again on Monday if it hasn't "synced" yet.)*

We greatly appreciate the feedback that many of you have shared with us over the week. Each Sunday, we will be sending out a link to take an optional quick survey to help provide us with feedback and information. This information will provide us with guidance as we work together to navigate the following weeks of instruction together. Thank you for taking the time to complete the survey. [Click here to take survey now](#). Lastly, our K-2 Packet Distribution will continue tomorrow, Monday, April 20, 2020. All students in grades K-2 with the last names A-M will have packets available for pick up on our "Hug and Go" car rider line pickup/dismissal side from 9:00 A.M. until 12:00 P.M. All students in grades K-2 with the last names of N-Z will have pick up available on our "Hug and Go" car rider line pickup/dismissal side from 12:00 P.M. until 3:00 P.M. Thank you for your patience as we navigate this process together. Students can drop off last week's materials and pick up their new materials on Monday, 4/20/20. Please use the Burch Bridge Road entrance and stay to the right to follow the "hug and go" car rider line side.

Any other students without internet access, please contact your teacher(s) to see about picking up your materials. Packet distribution will continue to be on Mondays from 9:00 A.M. until 3:00 P.M. Any students that do not have internet access or that have teachers that have reached out to you about pick up, please come to the front circle for pick up. *(Most all of our classes are now online, so teachers will reach out to students individually or by class if there are materials that need to be picked up on campus).*

Reminder that our front office staff is operating on "office hours" from 9:00 A.M. until 3:00 P.M. Monday through Friday. Please make an appointment with Mrs. Lassiter at arlenelassiter@cgsnc.org if you or your student needs to come to campus to pick up forms, things from their lockers, etc.

Thank you again for your continued patience during this time! We are greatly appreciative of ALL of our Grizzly Families! Please remember to check our school's Facebook page and Website for additional details and updates related to Distance Learning instruction.

Have a fantastic week!

Stay safe and well!

As always, thanks for all that you do,

Mrs. Vereyken
Director/Principal
