

Good afternoon CGS Families,

Tomorrow, we will begin Week #3 of Distance Learning! Your students have done a fantastic job of staying engaged and completing assignments. Please continue to encourage them to complete their assignments on time and thoroughly. Everything that your student is doing now matters! Everything they accomplish during distance learning will cultivate their educational futures. Our teachers are working very hard to ensure that your student has the greatest opportunities possible for learning during this time. We appreciate all of you for your hard work and support as we continue to hold the bar high for all of our students and their educational careers at CGS!

Monday will be packet distribution day. The following teachers and classes will have materials available for pick up on Monday, 4/27/20. All students in grades K-5 will have packets available for pick up on the "hug and go" car rider line side. All other grade levels picking up will need to enter from the Burch Bridge Road entrance and drive around the building to the front circle for pick up. Please wear protective gear while on campus if you are able. We greatly appreciate your efforts to keep our faculty/staff well and safe.

Pick Up times:

9:00 A.M. until 12:00 P.M., students with the last names A-M will have pick up available.
12:00 P.M. until 3:00 P.M., students with the last names N-Z will have pick up available.

Teacher Names/Classes: (reach out to your child's teacher below if you have any questions)

Ms. Alcon: 8th Grade, Math 1, AFM

Mrs. Nikola: 7th-9th Grades that have work to drop off and pick up

K-2 Grades

3rd Grade

5th Grade

Next week, May 4th- May 8th is Teacher Appreciation Week!! We are going to honor our teachers on Facebook and through our school website. If you have a video clip that you'd like to send us to include with our "THANK YOU's" to our teachers, please send those to jonweis@cgsnc.org. If your file is "too large" to send, try using the We Transfer program

by searching it online [here](#). Please keep your video clips to 20 seconds or less. If you'd like to write a letter and send us a picture of it or email it to us, that would be great as well. We welcome pictures drawn from our younger students as well! Thank you for helping us support our teachers! We can't wait to hear from our students and parents. We will "show love" to our teachers next week, thank you for your help!

Don't forget to continue giving us weekly feedback on our distance learning program. Your information submitted last week was incredibly beneficial and helpful as we "tweak" our program. Thank you for taking the time to submit it. [CGS Family Weekly Reflection form](#).

Lastly, please continue checking our FAQ document to help answer your burning questions! We are here to help and support you in any way possible during this time.

Check out our Facebook page and website for additional details and updates! We'd love to see pictures of you guys working from home! Please send those to Mrs. Moore at emilymoore@cgsnc.org if you have them!

Have a fantastic week! Stay safe and well!

As always, thanks for all that you do.

Mrs. Vereyken
