

NC Check-In Testing Information

- **Testing Dates:** Check-In dates have been assigned for Monday, October 5th thru Wednesday, October 21st. Testing times are 8:30-10:30am or 12:30-2:30pm. Please refer to the testing schedule regarding your specific date/time of testing.
- **Screening:** students are required to check-in at the front door to the school. You may start arriving 15 minutes prior to your testing time (8:15 & 12:15). Each student will have their temperature checked and will have to answer the Covid screening questions. Parents should accompany their student to the front door for this screening. Students must have a face mask. Students will enter the school and be escorted to their assigned area for testing.
- **What to Bring:** They may bring a water bottle with them. Water fountains in the school will NOT be available. They should also bring 2 pencils. Students who also have the 5th/8th grade science test can bring a small snack for between tests.
- **Pick-Up:** Students will exit the school thru the back gym doors. Parents should be waiting at the back of the school. Please walk to the back door (staying socially distanced) and wait for your child to be brought to you at this door.

We will have a limited number of students in the building at a time to test and tables and computers will be cleaned/sanitized in between each testing session.
