

CLOVER GARDEN SCHOOL

Home of the Grizzlies

12-22-2020

Dear CGS Families,

It is with great sadness and sorrow that I send this letter to you this afternoon. Today, we were made aware that one of our wonderful Clover Garden School students has passed away from an unfortunate accident that took place yesterday. We are devastated and heartbroken about this tragic news. Please take a moment today to lift up and send positive thoughts and prayers to the Vernon family. Jacob Vernon, was one of our own Grizzlies and was a 3rd grader at CGS. Jacob was a wonderful, sweet and special young man who will be missed dearly by all of those that knew and loved him. Our Grizzly family support system is needed more than ever during this time.

I'm sure that many of you will want to assist this family and show your love and support. We ask that during this time, you give the family privacy and time to grieve this unimaginable loss. We will share funeral arrangements with you when they are made available as well as opportunities to reach out and support the family.

Please keep the Vernon family in your deepest thoughts and prayers today.

Sincerely,

Mrs. Vereyken
Director/Principal
Clover Garden School
