

# CLOVER GARDEN SCHOOL

## *Home of the Grizzlies*

CGS Families,

Each school year, NC releases a school report card. The purpose of this school report card is to inform families of the school's overall performance scores on End of Year standardized assessments. During the 2019-2020 school year, the End of Year Assessments were "waived" and students did not complete them due to the Covid-19 pandemic. For the 2020-21 school year, the U.S. Department of Education and the North Carolina General Assembly (Session Law 2021-130) waived requirements for reporting the school-level accountability model and School Performance Grades; including achievement and growth. For the 2021-2022 school year, End of Year Assessments will resume as normal for our CGS students.

Due to not having actual school report card proficiency data for the 2020-2021 school year, our school's Data Team created data based on the information we collected from student scores at the conclusion of the 2020-2021 school year and created our own version of a school report card. Our "CGS Report Card Version" is listed below. NC School Report cards with normal collected data will resume at the conclusion of the 2021-2022 school year. You can visit this website <https://ncreports.ondemand.sas.com/src/> to see our school report card from years past.

### Percent Proficiency 2020-2021 School Year

Reading 3 <sup>rd</sup> thru 8 <sup>th</sup>	55.5%
Math 3 <sup>rd</sup> thru 8 <sup>th</sup>	51.6%
Science 5 <sup>th</sup> & 8 <sup>th</sup>	78.6%
English II	63.8%
Math 1	46.3%
Math 3	73.1%
Biology	50%

In all courses and grades, 59.8% of Clover Garden students scored a Level 3 or above and were grade level proficient in 2020-21 compared to 73% in 2018-2019, the last school year tested. Although we experienced an overall decline, Clover Garden students demonstrated a range of proficiency results across the grade levels and content areas with a high of 21.9% positive growth to a low of a 34.1% decline.

We have already seen a vast improvement in overall student achievement through NC Check In assessments this school year and hope to see those same positive results on this year's NC School Report Card.

Thanks,

Mrs. Vereyken  
Director/Principal
