SNACKS

Please send a snack for your student for snack time after school. On half-day teacher workdays, your **child will need to bring a lunch and snack from home**. Please alert us on the application form of any food allergies your child has.

HOMEWORK POLICY

The After School Program stresses the importance of homework and sets time aside every day for the children to complete their assignments. Staff members are available to supervise the homework area and to assist the children with their work, however, a child who needs individual help with his or her homework must ask. Because of the number of children who require assistance during homework time, the staff members are unable to check each child's homework for accuracy or provide the type of one-on-one homework help that is available from a tutor. Although we encourage the children to do their homework when it is assigned, using the time set aside to complete homework is the responsibility of the child. Please let us know if you prefer to have a child complete his or her homework at home. Children who do not wish to use homework time to complete their homework may use the time to read a book

POSSESSIONS FROM HOME

Since we cannot guarantee the safe return of personal belongings, the After School Program asks that any personal possessions be left in backpacks during a child's time in the After School

Program. Children may bring electronic games and toys from home on staff development and vacations days if they are used during scheduled times and with the permission of their teacher. Responsibility for the safekeeping of electronic games and toys brought from home remains with the child. The After School Program does not allow the use of toy weapons or trading cards at any time.

MEDICATION

If your child needs medication during the time he/she is in the after school program, written permission, and instructions from your medical doctor are required. You may obtain a medication form from the school's front office.

INJURIES

We will provide an accident report to you in the case of injury. In case of injury or illness, we will notify the parent. If we are unable to reach parents, we will notify a relative or friend that you list on the application form.

WITHDRAWAL & RE-ENROLLMENT PROCESS

If you elect to withdraw your child, you **must** turn in an **AFTERSCHOOL CARE TERMINATION NOTICE**. We require a **two-week notice** for all withdrawals.

If you wish to change your child's status (example part-time to full time), you must please let the before and after school coordinator know.

It is very important you follow the guidelines outlined to have your child remain in our program.
