NC Annual School Report Card- 21-22 RELEASED!

Parents & Students,

We are proud to share with you CGS' 21-22 NC Annual School Report Card! We are proud to officially announce that once again CGS has maintained our letter "B" performance grade status! This is a great victory to share together as shout outs go to our amazing staff, phenomenal students, and fantastic parents who continue to put education and academics FIRST at CGS! This past report card was the 1st report card in the past 2 years in which a performance grade was issued.

Click here to see CGS compared to Alamance-Burlington School System (ABSS) and the state of NC. Way to go CGS!! Leading by example and setting the bar high!! You can also use this link to navigate

and view CGS compared to various school districts in the state of NC as well as individual schools.

school=01C000&year=2022&lng=en&residing_district=010LEA](https://ncreports.ondemand.sas.com/src/school?school=01C000&year=2022&lng=en&residing_district=010LEA)

There is always room to grow and improve! There is still a very obvious learning gap caused by Covid-19 and we will not stop working until our students gain mastery of the skills they are lacking. We can't do this alone and will continue to need your help in enforcing the importance of what a strong educational foundation can do for your student! CGS still strives to be an "A" school one day! Thank you for your continued support!

#CGSisBETTERthanBEST! #AcademicsHonorCommunity
