

Alamance County Public Library Connect **Opt-Out** Form

ACPL is very happy to have bridged a partnership between the public library and Clover Garden School. Every student, faculty member and staff will have full access to Alamance County Public Libraries' collections and digital media including e-books, databases and online resources from anywhere using their student account.

If you want your student to participate in the ACPL Connect program, you do not need to do anything with this form. Your student will be automatically enrolled and have access to resources.

If you do not want your child to participate, please complete this parent opt-out form and return it to your child's teacher.
