

*Increasing educational opportunities for all*

## What is ACPL Connect?

ACPL Connect is the result of **Clover Garden School** and **Alamance County Public Libraries** working together to provide students with easily accessible information and educational resources.

Students no longer need library cards. Instead, students can use their **school ID number** to access library services. The default PIN is the last 4 digits of the student ID number.

With their ACPL Connect account, students can:

- ◇ Borrow up to 10 print or audio books, including DVDs and music CDs
- ◇ Access library research databases
- ◇ Borrow digital materials such as e-books, e-audiobooks, magazines, music and video

**There are no overdue fines for ACPL Connect accounts, but students are responsible for fees on lost items.**

## Information for parents

**All students are automatically enrolled in this program.**

If you do not want your child to have access to library materials, you may opt out of the program. You may make this request by visiting or calling any library branch.
