

## **Clover Garden Script**

One of the most important factors in a child's development is their school. At Clover Garden School, our safe environment, rigorous academic curriculum, and engaging programs create a welcoming and exciting atmosphere where students thrive.

Clover Garden is a tuition-free public charter school located in the northwestern area of Alamance County. We serve nearly 980 students from Alamance and surrounding counties where our mission is to "foster community, generate enthusiasm, challenge students academically, and produce successful citizens."

We expect our students to be well educated and, just as importantly, to become good citizens. Our strict discipline and honor code policies help maintain the safety and security that are of utmost importance to our families.

Our parents trust us and are confident that here, their children's needs are met with care, compassion, and commitment. Recent parent surveys show that 83.9% are satisfied or very satisfied with the overall quality of education at Clover Garden School, and 87.5% would recommend our school to friends and colleagues.

With a high school graduation rate of over 95%, our students are prepared for what comes next, and we encourage all our graduates to pursue higher education. Our 94% retention rate shows that students enjoy coming to Clover Garden School, and when children are happy at school, they're ready to learn and work to their greatest potential.
